

Pendulum Light Fixture

raymond **emc**

Description

Pendulum lights are utilized in Anachoic Chambers.

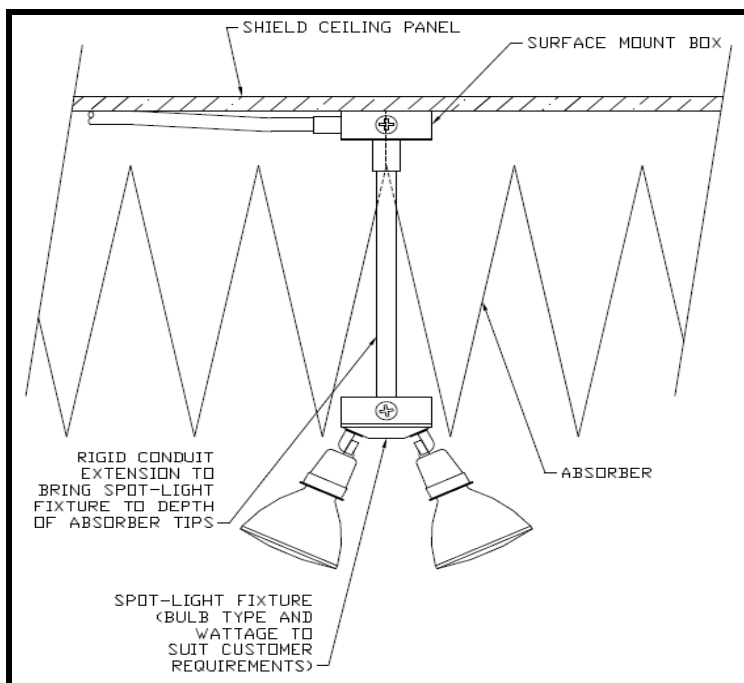

Features

Standard 100Watt halide light
Sizes to suit absorber installation

Specification

Mean output (lumens):	5900
Light outputs (lumens at 100 Hrs.)	9000 V / 8100 H
Chromacity (CIE-X,Y):	.385 .390
Burning position:	Universal
Lamp lumens per Watt	90
Rated life (Hrs. At 10 Hr. / start):	15000V 11250 H
Correlated color temperature K:	4000
Color rendering index (CRI)	65
Max. Base Temperature (°C)	210
Max. Bulb Temperature (°C)	400
Lamp Wattage	100
Operating Voltage (Nominal)	100
Operating Current (Amps)	1.1
